

PLAN ADOPTION RESOLUTIONS

In accordance with Part 201.6 of the Disaster Mitigation Act of 2000 (DMA 2000), Nassau County, New York, has developed this Multi-Jurisdictional Hazard Mitigation Plan to identify hazards that threaten the County and ways to reduce future damages associated with these hazards.

Working along with the County government, the following municipalities within Nassau County participated in the mitigation planning process and have adopted this plan, authorizing municipal government staff to carry out the actions detailed herein:

The list of municipalities adopting the plan shall be incorporated here.

Following this page are the signed adoption resolutions of the County and all participating jurisdictions.

Signed resolutions of adoption by all participating jurisdictions shall be inserted here.

The following resolution is recommended for the County to adopt the Plan.

Resolution No. _____

WHEREAS Nassau County is vulnerable to natural hazards including, but not limited to, flooding, hurricanes, winter storms, and extreme winds, that can result in property loss, loss of life, economic hardship and threats to public health and safety;

WHEREAS a Nassau County Multi-Jurisdictional Hazard Mitigation Plan has been developed by the All Hazards Mitigation Planning Group (“Planning Group”) and the people of the County, to address the requirements of the Disaster Mitigation Act of 2000 (DMA 2000);

WHEREAS the Nassau County Multi-Jurisdictional Hazard Mitigation Plan recommends mitigation activities that will reduce losses to life and property affected by the natural hazards that face the County; and

WHEREAS a series of public meetings were held to develop and review the plan;

NOW THEREFORE BE IT RESOLVED by the Nassau County Legislature that:

- The Nassau County Multi-Jurisdictional Hazard Mitigation Plan (“the Plan”) is hereby adopted as an official plan of the County.
- The Nassau County All Hazards Mitigation Planning Group (“Planning Group”) is hereby recognized as the official advisory body for coordinating hazard mitigation planning and related implementation activities by the County.
- Nassau County officials and agencies are hereby directed to follow the Plan Maintenance section of the Plan to ensure effective monitoring, evaluation, and updates.
- Nassau County officials and agencies identified in the Implementation Strategy section of the Plan are hereby directed to implement the recommended activities assigned to them.
- Work progress reports shall be prepared by County entities responsible for implementing mitigation actions, and shall be prepared and submitted in accordance with the Plan Maintenance section of the Plan.
- An update to the plan will be triggered if changing situations have modified goals, objectives, or actions; if additional information is available to perform more accurate vulnerability assessments; or if it is determined by the Planning Group that the Plan no longer addresses current and expected future conditions. If the Planning Group determines that an update is not required at the end of the planning cycle (that is, five years from the date of this Resolution), then justification to this effect will be prepared and submitted to the New York State Emergency Management Office (NYSEMO) and Region II of the Federal Emergency Management Agency (FEMA).
